Mr. Culbreth submitted the following order—

Ordered, that it be noted on the journal, that Mr. Culbreth voted for the amendment of the gentleman from Somerset, because he is desirous, if the bill pass, it should carry out to their extent, the principles upon which it is founded, he voted to perfect the bill, and not because he approved either the original bill or the proposed amendment; Which was read.

On motion of Mr. Billingsley,

Said order was amended, by inserting his name after the name of 'Mr. Culbreth.'

On motion of Mr. Parran,

His name was also inserted in the order.

On motion of Shaw,

His name was also inserted in the order.

The said order was then read the second time as amended, and adopted.

Mr. Henderson moved that the amendment be rejected.

Mr. Hicks moved to amend the motion, by including the substitute and amendment.

Mr. Townsend, of Worcester, then moved to refer the bill, amendments, and substitute, to the 1st day of June next;
